

Our Corporate Plan

Our Corporate Plan sets out how we will help make the Our Manchester vision for 2025 a reality.

The vision is for Manchester to secure its position in the top-flight of world-class cities by 2025.

We all need to think about the part we play in making Manchester a city that is:

- Thriving
- Full of talent
- Fair
- A great place to live
- Well connected through technology and transport.

We can only achieve our vision and ambitions if everyone works together.

Our priorities

As a council we have nine Corporate Priorities we must focus on. You play a part in delivering them all. Everything we do together helps to improve life for the people of Manchester. Equality runs through all our priorities to make this city a great place to live, work and learn for everyone.

1. Zero-carbon Manchester

We must transform Manchester into a zero-carbon city by 2038 by halving our own direct CO₂ by 2025, reducing citywide CO₂, and improving air quality.

2. Growth that benefits everyone

We will boost productivity in the city to reduce poverty and create an economy that is inclusive and benefits everyone.

3. Young people

We will support Manchester's young people to be safe, happy, healthy and successful, and help them to fulfil their potential by giving them the best start in life, with access to good schools, play, leisure and culture.

4. Healthy cared-for people

We will work with partners to enable residents to be healthy and well, and will support those who need it the most to improve their lives – tackling health inequalities across the city.

5. Housing

We will deliver the right mix of housing so that Mancunians have a choice of good-quality homes that are safe, secure and affordable – including better outcomes for those who are homeless.

6. Neighbourhoods

We will work with communities to create clean, vibrant and diverse neighbourhoods that everyone can be proud of, and make sure that we deliver services closer to residents.

7. Connections

We will connect people and places through good-quality roads, sustainable transport – boosting greener travel options such as walking and cycling routes – and better digital networks.

8. Equality

We will deliver on our equality, diversity and inclusion commitments, creating a progressive city that enables our residents and partners to understand our diverse communities, improving their life chances and celebrating diversity.

9. Well-managed council

We will support our colleagues to be their best and we will make the most of our resources.

Our Manchester behaviours

Our behaviours demonstrate our values and principles. By putting them into action and working in new ways we will create the future Manchester we're all striving for.

- We are proud and passionate about Manchester.
- We take time to listen and understand.
- We 'own it' and aren't afraid to try new things.
- We work together and trust each other.
- We show that we value our differences and treat people fairly.

To deliver Our Corporate Plan we all need to do our bit. We should use it to shape service and team plans, and as part of About You conversations.

Our Manchester is leading a three-way push to:

1. Keep the basics on track
2. Prevent problems in the future
3. Tackle complex problems together.

Our Manchester – it's the way we do things, not just a thing we do.
